BODY CHALLENGE

A balanced formula combining aerobic, strength training, abdominal exercises and stretching for a good aerobic and anaerobic fitness.

MAC BODY BAR

The Body Bar is a full body sculpting class with a bar and a lot of willpower! It is a class of strength and muscular endurance. Open to all levels.

BODY DESIGN

100% muscle! Sculpt your body using a step and free weights. A great way to improve your strength and muscle tone while completing your cardio workout.

HIIT

A high-intensity class offering a variety of muscular and cardiovascular exercises. Sweat like never before, burn calories, tone up and have fun. Each class is a new challenge.

BOXE

Develop your power and your endurance through this demanding class that combines cardiovascular exercises and boxing techniques. Boxing is a complete workout that manages stress, weight and coordination.

CIRCUIT BOOTCAMP

An intense workout consisting of exercises designed to reach your full muscular and cardiovascular potential. A tough class, but still within reach of all!

YOGA VINYASA

Revive the body and renew the soul while you soothe your mind by practicing the basics of yoga. Adapted for all, the use of accessories (blocks, mats, and straps) are used to maintain position for a longer period. The body relaxes and the mind takes a break in this quiet meditation.

SPIN XPRESS

Spinning allows you to work at your own pace. You will climb hills, do sprints and get an awesome-workout! Welcome to participants of all levels - 45 minutes.

STRETCHING

This class will allow you to develop your flexibility without putting emphasis on breathing or relaxation. A great way to reduce tension in your body in our functional training area.

KICKBOXING

Come experience Mansfield Athletic Club martial arts class. This fast paced workout will improve your hand/eye coordination, balance, strength and flexibility. You don't have to be a fighter to train like one!

METCON

Be prepared to be out of breath! This class uses a variety of equipment and functional training to help you get the results you want. Intense, creative, but easy to follow!

FIT TO FLEX

This class offers muscle building exercises for all levels of fitness with the use of a trapeze. Not only fun, but also effective in improving balance, muscle strength, and trunk stability!

TABATA

With intense intervals, you will be able to develop your cardiovascular power and your muscular endurance. Helped with dumbbells, elastics, and plyometrics moves, you will be able to push your limits, both physically and mentally!

ULTIMATE TRAINING

The name means everything! A combination of cardiovascular intervals, weights and a lot of sweat! You will develop your endurance: as much as muscularly, cardiovascularly and mentally.

TREAD N'SHRED

Develop your cardiovascular power with a mix of short intervals on the treadmill and functional training exercises. Each course will motivate you to push you to your limits.

STRIDE AND BURN

Come experience an optimal running experience with 45 minutes of speed and slope intervals on a treadmill. This is the perfect course for those who love racing or fitness.

HATHA YOGA

A traditional practice that emphasizes the union, or balancing, of opposing forces within the body (Ha = sun, Tha = moon). Each class will focus on a set of physical poses (asanas), breathing techniques (pranayama), and/or meditations designed to bring balance to the body and mind. (Note: Hatha yoga is a physical practice and should not be confused with "gentle yoga.")

PILATES

Develop the deep muscles of your powerhouse through exercises designed specifically to avoid the pain associated with conventional exercises. Increase the strength of your abdominals, control your body, flexibility, and alignment of your spine, for a better harmony of your body and mind.

LEVEL UP

Upgrade your skills under a well experienced trainer. You will learn basic movements for functional training as double unders and cleans while going beyond your mental and physical limits!

ENFANTS EN FORME! (8-12)

This class focuses on motor skills and self confidence development. Your kid will learn simple and complex movements that will improve their sport potential.

STRONG BY ZUMBA®

STRONG by Zumba® is a rhythmically driven training session. In this course, the music is carefully orchestrated to stimulate the progress and intensity of the training. This is a course allowing you to tone your whole body through muscular and cardiovascular exercises with less choreographed moves than regular Zumba.

ZUMBA® AND ZUMBA STEP

Sweat to the sound of Latin music, move your hips like never before and be ready to burn the dance floor! Easy to follow, these choreographies will allow you to burn as many calories as possible.

SPINNING

Let yourself be guided by a spinning instructor during a virtual bike ride. Motivational music and exciting routines! Newcomers, as well as the avid cyclist, will benefit from this course! Come and see for yourself why we love spinning!

STIFF YOGA

This class aim is to develop flexibility. You don't need to be experienced in yoga to feel the benefits from this class. You will live an experience where the use of breathing and simple positions will allow you to relax and gain flexibility.

BOOTY BLAST

You will work your legs and buttock like never before. This express class of 30 minutes will allow you to tone your muscle of this specific area!

EPIC TONE

You will train your whole body with different tools such as steps and barbells. You will improve your cardiovascular capacity and your strength endurance. Be ready to sweat and work your muscles!

TEMPO RIDE

This spinning class focuses on the music rhythm. You will work in synchronicity with the teacher and other participants. You will live a group class experience like nothing else!

TIGHT FIT
